## CERTIFICATE OF AGENT

To Whom It May Concern,

Company SPE "Vega-Service" LLC is our representative company for UKRAINE.  
They have rights to promote all NUKON products as Fiber Lasers, Plasma and Oxycutting  
Machines and WaterJet Machines in territory of UKRAINE.

Their engineers are trained and certified by NUKON in order to perform a service during and  
after warranty period of every machine.

I hope you will consider me at your complete disposal if any additional information is  
requested.

Best regards,

Erkan Ozgur Karali
